

# MiniBox Series

Part Number: ET-7765B

| DualCore MiniBox    |   | (ET-7765B-945LF2) |
|---------------------|---|-------------------|
| Processor & Chipset | Intel DualCore 1.6Ghz   |                   |
| Memory              | Kingston DDR2-667 standard 1Gb, max. up to 2Gb  |                   |
| Storage             | Seagate 2.5" SATA HD 80Gb 5400rpm standard (Optional compact flash)   |                   |
| Audio               | RealTek ALC662 (2+2 channel HD)   |                   |
| Video               | Intel GMA 950 SVGA  |                   |
| LAN                 | 10/100Mbps ethernet   |                   |
| On-Board Connectors | 1xIDE, 2xSATA, 1xPCI, 4xUSB   |                   |
| Back Panel I/O      | 4xUSB 2.0, 1xSerial, 2xPS/2, Audio ports, 1xSVGA, 1xLAN, 1xParallel   |                   |
| Dimensions          | 58.5mm (height) 259.5mm (width) 186mm (depth)   |                   |
| Power               | External A/C bloc with push button switch   |                   |
| Heat Dissipation    | Venting holes and dual fans   |                   |
| Options             | <ul style="list-style-type: none"> <li>•Compact Flash 2, 4 or 8Gb with bootable adapter</li> <li>•LCD rear-mount bracket</li> </ul> |                   |

MiniBOX Systems offer unequalled performance in a very small form factor.

All 7765B Series MiniBOX are designed to receive unique mounting options, such as our exclusive LCD- Back-Mount bracket. Easily transforms an LCD monitor into a POWERFUL, LOW COST, ALL-IN-ONE SYSTEM !!!

Also available with optional wireless LAN (802.11a/b/g), the MiniBOX can be used where running Ethernet cable is not an option.

With its low footprint installation, its perfect for those tight spots where even a slim PC is too big! Its exceptional price make the MiniBOX System an ideal choice for your small form factor needs!!

| Industrial DualCore MiniBox |   | (ET-7765B-945LF2-I) |
|-----------------------------|---|---------------------|
| Processor & Chipset         | Intel DualCore 1.6Ghz   |                     |
| Memory                      | Kingston DDR2-667 standard 1Gb, max. up to 2Gb  |                     |
| Storage                     | Seagate 2.5" SATA HD 160Gb 5400rpm standard (Optional compact flash)  |                     |
| Audio                       | RealTek ALC662 (5.1 channel HD)   |                     |
| Video                       | Intel GMA 950 SVGA + S-Video output   |                     |
| LAN                         | 10/100/1000Mbps ethernet Giga LAN   |                     |
| On-Board Connectors         | 1xIDE, 2xSATA, 1xPCI, 4xUSB   |                     |
| Back Panel I/O              | Same as Atom with additional 1xS-Video  |                     |
| Dimensions                  | 58.5mm (height) 259.5mm (width) 186mm (depth)   |                     |
| Power                       | External A/C bloc with push button switch   |                     |
| Heat Dissipation            | Venting holes and dual fans   |                     |
| Options                     | <ul style="list-style-type: none"> <li>•Compact Flash 2, 4 or 8Gb with bootable adapter</li> <li>•LCD rear-mount bracket</li> </ul> |                     |
| Extras                      | <ul style="list-style-type: none"> <li>Key Lock</li> <li>CS-5689 Ventilation Case</li> </ul>  |                     |

| Atom MiniBox        |  | (ET-7765B-945GC) |
|---------------------|--|------------------|
| Processor & Chipset | Intel Atom 230 1.6Ghz with I945GC chipset  |                  |
| Memory              | Kingston DDR2-667 standard 1Gb, max. up to 2Gb   |                  |
| Storage             | Seagate 2.5" SATA HD 80Gb 5400rpm standard (Optional compact flash)  |                  |
| Audio               | 5.1 channel audio  |                  |
| Video               | Intel GMA 950 SVGA   |                  |
| LAN                 | Dual 10/100/1000Mbps ethernet Giga LAN   |                  |
| On-Board Connectors | 1xIDE, 2xSATA, 1xMini-PCIe, 1xPCI, 3xRS232, 2xUSB  |                  |
| Back Panel I/O      | 4xUSB 2.0, 3xSerial, 2xPS/2, Audio ports, 1xSVGA, 2xGigas LAN  |                  |
| Dimensions          | 58.5mm (height) 259.5mm (width) 186mm (depth)  |                  |
| Power               | External A/C bloc with push button switch  |                  |
| Heat Dissipation    | Venting holes  |                  |
| Options             | <ul style="list-style-type: none"> <li>•Wireless Lan Intel Mini-PCIe 802.11a/b/g</li> <li>•Compact Flash 2, 4 or 8Gb with bootable adapter</li> <li>•LCD rear-mount bracket</li> </ul> |                  |
